ANNULUS

For Luke Eynin and Deann Wright and their daughters, Annulus is a true family endeavor, specializing in single-vineyard Cabernet Sauvignon from two celebrated Napa Valley sites. Guests can discover Annulus through private tastings or their *Olive Grove Lunch*, an idyllic experience for groups of six or more. Serve beneath the dappled shade of olive trees, the family-style feast is paired with four exquisite estate wines, capturing the romance and elegance of Annulus. annuluscellars.com
